Laga Table

PRODUCT DATA SHEET

1/3

Model: Laga

Manufactured in: Spain-Europe (EU)

Designers: Silvia Ceñal

The Laga table is the fruit of a new collaboration with the native San Sebastian designer, Silvia Ceñal. The metal legs, which can be lacquered in a variety of our colours, add a unique touch to the design. The fact that the tabletop does not entirely rest on the legs allows a greater appreciation of this detail and provides more visual lightness. The Laga table is available in both extensible and non-extensible versions.
